Walter Fields, Arthur Arena, Steve Eaton, Ken Scipione

Thank you to Debbie Brown for photography.

FIFTIETH ANNIVERSARY
SANDOWN VOLUNTEER FIRE DEPARTMENT

1948 - 1998

"At the Town Meeting of March 9, 1948 the town chose a committee of seven to study fire protection needs and appropriated the sum of \$500 to be used for the purchase of equipment."*

"The Committee decided that with this appropriation as a foundation, something definite could be accomplished. A Volunteer Fire Department was organized and a Volunteer Fire Association was formed to aid in the support of the Department."*

The year 1998 marks the 50th Anniversary of the Sandown Volunteer Fire Department. The accomplishments of the department are many, far too many for more than a few to be mentioned in this short notation.

From the first fire station that was built by volunteer effort in 1948, to the second fire station that was built by volunteer effort in 1980, to the hundreds of hours spent training, the heart of the department has been the commitment of its members.

Over the past 50 years, its members have stood at the ready, prepared to come to the aid of others, often at great personal risk and sacrifice. To them, the deepest reverence is due.

TOWN REPORT DEDICATION

The 1997 Town Report is dedicated to two residents who have given nearly 100 years of service to the Sandown Volunteer Fire Department and the citizens of Sandown. Mr. Lloyd Lessard has been a member of the department since 1956 and has served as treasurer for 30+ years. Mr. Rudy True has served since 1945 and was the first official member of the Angle Pond Fire Station. We wish to take this opportunity to thank these two gentlemen for their years of dedication to the town. We hope that they will continue to be valuable members of our Fire Department for many years to come.

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 8:00 AM TO 8:00 PM MARCH 10, 1998.

To the inhabitants of the town of Sandown, NH in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Sandown Town Hall in said Sandown on Saturday, the Seventh day of February next at Ten of the clock in the forenoon to act upon the following subjects:

ARTICLE 1. TO CHOOSE ALL NECESSARY TOWN OFFICERS FOR THE ENSUING YEAR. (TO BE VOTED BY BALLOT MARCH 10, 1998).

ARTICLE 2. SHALL THE TOWN RAISE AND APPROPRIATE AS AN OPERATING BUDGET, NOT INCLUDING APPROPRIATIONS BY SPECIAL WARRANT ARTICLES, THE AMOUNTS SET FORTH ON THE BUDGET POSTED WITH THE WARRANT, FOR THE PURPOSES SET FORTH THEREIN, TOTALING \$1,274,023? SHOULD THIS ARTICLE BE DEFEATED, THE OPERATING BUDGET SHALL BE \$1,197,353, WHICH IS THE SAME AS LAST YEAR, WITH CERTAIN ADJUSTMENTS REQUIRED BY PREVIOUS ACTION OF THE TOWN OR BY LAW OR THE GOVERNING BODY MAY HOLD ONE SPECIAL MEETING, IN ACCORDANCE WITH RSA 40:13, X AND XVI, TO TAKE UP THE ISSUE OF A REVISED OPERATING BUDGET ONLY.

ARTICLE 3. TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE BOARD OF SELECTMEN TO ACCEPT, ON BEHALF OF THE TOWN, GIFTS, LEGACIES AND DEVICES MADE TO THE TOWN IN TRUST FOR ANY PUBLIC PURPOSE, AS PERMITTED BY RSA 31:19.

We hereby certify that we gave notice to the inhabitants within named to meet at time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named and a like attested copy at Sandown Town Hall and Post Office being a public place in said Town on the twenty-sixth day of January , 1998.

L. David R. Cheney
.....
Cheryl A. Austin
Paul R. Barton
.....

Selectmen of
Sandown, NH

4. SPECIAL WARRANT ARTICLE. SHALL THE TOWN ACCEPT AND APPROPRIATE BLOCK GRANT REVENUES IN THE SUM OF \$82,562.06 AS SUPPLIED BY THE STATE OF NEW HAMPSHIRE FOR ROAD IMPROVEMENT PROGRAMS TO BE RECOMMENDED BY THE SANDOWN HIGHWAY DEPARTMENT AND APPROVED BY THE SANDOWN BOARD OF SELECTMEN. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
5. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$85,795 TO INSTALL A 50 FOOT ALUMINUM CULVERT AND COMPLETE REPAIRS AND MAINTENANCE ON WELLS VILLAGE ROAD. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
6. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$107,147.71 TO BE USED OVER THE NEXT THREE YEARS FOR THE PURPOSE OF HIRING, TRAINING AND EMPLOYING A FULL-TIME POLICE OFFICER. THIS AMOUNT WILL BE OFFSET BY A FEDERAL GRANT (UNIVERSAL HIRING GRANT) OF \$75,000 WHICH HAS BEEN AWARDED TO THE SANDOWN POLICE DEPARTMENT. THIS IS A NON-LAPSING WARRANT ARTICLE. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
7. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$5,000 TO REMOVE THE UNDERGROUND OIL TANK AND REPLACE IT WITH AN ABOVE GROUND TANK AT THE SANDOWN TOWN HALL. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
8. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$1,200 FOR THE PURPOSE OF RECREATIONAL AND EDUCATIONAL ACTIVITIES FOR THE ELDERLY CITIZENS OF SANDOWN. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
9. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$600 FOR THE VIC GEARY CENTER IN PLAISTOW TO PROVIDE SOCIAL SERVICES FOR SENIOR CITIZENS. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
10. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$4,000 TO UPGRADE THE LOWER TOWN HALL FOR HANDICAP ACCESS. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
11. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$18,500 FOR THE INSTALLATION OF A WELL AT THE ROY L. MILLER RECREATIONAL FIELD TO INCLUDE A STRUCTURE TO HOUSE THE PUMP AND EQUIPMENT, A WATER IRRIGATION WAND, WIRING AND HOSES FOR FIELD MAINTENANCE. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
12. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$10,000 TO PROVIDE A SUMMER RECREATION PROGRAM FOR THE CHILDREN OF SANDOWN. TO BE OFFSET BY ESTIMATED REVENUE OF \$10,000. (TAX IMPACT -0-). THIS WILL BE A LINE ITEM IN FUTURE BUDGETS. (Recommended by Board of Selectmen) (Recommended by Budget Committee)

13. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$700 FOR NEW SHELVING TO ORGANIZE RECORDS STORED IN THE VAULT IN THE SANDOWN TOWN HALL. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
14. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$3,000 FOR THE LIBRARY TO SUBSCRIBE TO THE ON-LINE RESEARCH SERVICE EBSCOHOST. RECOMMENDED BY THE STATE LIBRARY, THIS SPECIAL DISCOUNTED SUBSCRIPTION PRICE WILL PROVIDE SANDOWN LIBRARY PATRONS ACCESS TO OVER 700 FULL TEXT BUSINESS MAGAZINES; 80 FULL TEXT U.S. NEWSPAPERS (INCLUDING THE BOSTON GLOBE) WITH ABSTRACTS TO THE NEW YORK TIMES, USA TODAY, THE WALL STREET JOURNAL; OVER 200 HEALTH AND NUTRITION JOURNALS; AND 1,500 GENERAL INTEREST PERIODICALS. ACCESS TO THIS SERVICE WILL ALLOW THE LIBRARY TO BROADEN OUR MAGAZINE AND NEWSPAPER COLLECTION AND, MORE IMPORTANTLY, PROVIDE IMMEDIATE ACCESS TO FREQUENTLY REQUESTED PUBLICATIONS IMPORTANT FOR THE RESEARCH PROJECTS OF CHILDREN AND ADULT PATRONS. (Recommended by Board of Library Trustees) (Recommended by Board of Selectmen) (Recommended by Budget Committee)
15. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$1,520 FOR CLEANING AND SANITIZING OF AIR CONVEYANCE SYSTEMS AND INSTALL A FRESH AIR INTAKE DUCT AND DAMPER IN THE SANDOWN POLICE STATION. (Recommended by Board of Selectmen) (Not Recommended by Budget Committee)
16. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$865 FOR THE DESIGN AND CONSTRUCTION OF IMPROVEMENTS OF TOWN ROADS. SUCH FUNDS TO COME FROM THE OFF-SITE IMPROVEMENT FEES FROM VARIOUS DEVELOPERS. TAX IMPACT = \$0.00. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
17. SPECIAL WARRANT ARTICLE. SHALL THE TOWN RAISE AND APPROPRIATE THE SUM OF \$650 FOR THE PURPOSE OF PURCHASING SUPPLIES AND PAYING A SECRETARY TO TRANSCRIBE THE MINUTES OF THE SANDOWN TOWN BUDGET COMMITTEE MEETINGS. THIS WILL BE A LINE ITEM IN FUTURE BUDGETS UNDER ACCOUNT 4150.9. (Recommended by Board of Selectmen) (Recommended by Budget Committee)
18. SHALL THE TOWN VOTE TO MODIFY THE FOLLOWING TOWN ORDINANCE: IT IS THE DECLARED INTENT AND PURPOSE OF THE ORDINANCE TO ASSURE THAT WHERE THERE IS TO BE A GATHERING OF THE PUBLIC ON TOWN PROPERTY WHERE ALCOHOL IS BEING SERVED, THERE WILL ALSO BE AN OFFICER OF THE LAW TO OVERSEE THAT ORDER IS MAINTAINED AND THE PROTECTION OF THE PUBLIC IS READILY AVAILABLE ON THE SCENE. IT IS DECLARED THAT THE FEES INVOLVED WITH THESE SERVICES SHALL BE \$30.00 PER HOUR PAID TO THE TOWN OF SANDOWN. TWENTY-FOUR DOLLARS OF WHICH IS TO BE PAID TO THE OFFICER ON THE DUTY DETAIL AND SIX DOLLARS IS TO OFFSET PAYROLL EXPENSES. (Recommended by Board of Selectmen)
19. SHALL THE TOWN VOTE TO MODIFY THE FOLLOWING TOWN ORDINANCE: IT IS THE DECLARED INTENT AND PURPOSE OF THIS ORDINANCE TO ASSURE THE SAFETY OF BOTH THE CONSTRUCTION COMPANIES' EMPLOYEES AND THE GENERAL PUBLIC WHETHER IT BE UTILITY WORK, HIGHWAY WORK OR ANY TYPE OF WORK THAT WILL TEMPORARILY IMPEDE THE NORMAL FLOW OF TRAFFIC ON THE FOLLOWING ROADWAYS IN THE TOWN OF

SANDOWN - CHASE ROAD, ODELL ROAD, ROWELL ROAD, LITTLE MILL ROAD, HAMPSTEAD ROAD, FREMONT ROAD, NORTH ROAD, HAWKEWOOD ROAD. THIS WILL MAKE IT MANDATORY THAT EACH COMPANY, IF THEY DO NOT HAVE THEIR OWN FLAGMAN, MUST EMPLOY THE SERVICES OF THE SANDOWN POLICE. IT IS DECLARED THAT THE FEES INVOLVED WITH THESE SERVICES SHALL BE \$30.00 PER HOUR. TWENTY-FOUR DOLLARS OF WHICH IS TO BE PAID TO THE OFFICER ON THE DUTY DETAIL AND SIX IS TO OFFSET PAYROLL EXPENSES. ANY VIOLATION IS SUBJECT TO NOT MORE THAN \$100 FINE PER VIOLATION. (Recommended by Board of Selectmen)

20. SHALL THE TOWN VOTE TO ENACT THE FOLLOWING ORDINANCE: STOCK AT LARGE - TO PROHIBIT THE RUNNING AT LARGE OF HORSES, CATTLE, SHEEP, SWINE, GEESE, GOATS AND OTHER POULTRY AND ANIMALS PURSUANT TO RSA 147:17-10. VIOLATORS MAY BE SUBJECT TO A FINE OF UP TO \$50.00 FOR THE FIRST OFFENSE AND \$100.00 FOR ANY SUBSEQUENT OFFENSES. (Recommended by Board of Selectmen)
21. SHALL THE PROVISIONS FOR VOTING BY OFFICIAL BALLOT ON ALL ISSUES BEFORE THE TOWN OF SANDOWN UNDER RSA 40:13 BE LIMITED TO THE ELECTION OF OFFICERS AND CERTAIN OTHER QUESTIONS (By Petition)
22. SHALL THE TOWN VOTE TO ACCEPT 2,950 FEET OF FERGUSON LANE AS A TOWN ROAD UNCONDITIONALLY. (By Petition) (Not Recommended by Board of Selectmen)
23. SHALL THE TOWN ACCEPT KATHRYN'S WAY AS A TOWN ROAD SUBJECT TO THE APPROVAL OF THE PLANNING BOARD AND BOARD OF SELECTMEN. (Recommended by Board of Selectmen)

Sandown Planning Board
P.O. Box 1756
Sandown, N.H. 03873

Q1. Change Article II Part A. General Regulations-All Zones, Section 10 to read as follows:

"No land shall be used for a piggery, fox farm, mink farm, or for a motor vehicle junk yard, or for a commercial camping and or tenting area. No land shall be used for a dump or for the storage of abandoned vehicles or discarded materials of any kind, in a manner that is disorderly, unsightly, noxious or detrimental to the public, or prejudicial to the general welfare. The selection of a public dump maintained or designated by the Selectmen shall not be affected by this regulation.

As used herein, "piggery is the keeping of three (3) or more pigs; "fox" or "mink" farm is the keeping of three (3) or more foxes or mink. "

Q2. Add to Article II Part A. General Regulations-All Zones, Section 1 the following paragraph:

"Foundation Location: A plan shall be submitted to the Building Inspector prior to the start of construction showing the location of any foundation, retaining wall or the outer limit of any proposed building or structure relative to all property lines. Such plan shall certify accuracy of all measurements by a licensed professional engineer, licensed architect or licensed surveyor."

Q3 Add a new Article VIII to incorporate the Town of Sandown Public Capital Facilities Impact Fee Ordinance and renumber existing articles. The complete text is as follows:

"Town of Sandown

Public Capital Facilities Impact Fee Ordinance

Section 1-Authority

Authority for this ordinance is established pursuant to New Hampshire RSA's 674:17, 674:21 and 674:44.

Section 2-Intent and Purpose

This ordinance is intended to:

- A. Implement and be consistent with the Town of Sandown's Master Plan and Capital Improvements Program (herein referred to as "CIP").
- B. Allocate a fair and equitable share of the cost of public capital facilities to new development;
- C. Require new development to contribute its proportionate share of funds necessary to accommodate its impact on public facilities having a rational nexus to the proposed development, and for which the need is attributable to the proposed development.

Section III-Findings

The Sandown Planning Board finds, determines and declares that:

- A. The Town of Sandown is responsible for and committed to the provision of public capital facilities and services at levels necessary to support residential growth and development.
- B. Such facilities and services have been and will be provided by the Town utilizing funds allocated via the CIP which has been regularly updated pursuant to New Hampshire RSA 674:5.
- C. The rapid rate of growth experienced by the Town in recent years, as well as projected growth rates, would necessitate an excessive expenditure of public funds in order to maintain adequate facility standards.
- D. Each of the types of land development described in Section VII hereof, will create a need for construction, equipping or expansion of public capital facilities.
- E. The imposition of impact fees is one of the preferred methods of ensuring that public expenditures are not excessive, and that new development bears a proportionate share of the cost of public capital facilities necessary to accommodate such new development. This must be done in order to promote and to protect the public health, safety and welfare.
- F. The fees established by Section VII are derived from, are based upon, and do not exceed the costs of:
 - (1) Providing additional public school facilities necessitated by new land developments for which the fees are levied; or
 - (2) Compensating the Town of Sandown for expenditures made for existing public facilities which were constructed in anticipation of new growth and development.
- G. The Planning Board shall set forth a reasonable methodology and analysis for the determination of the impact of new development on the need for and costs of public capital facilities in the Town of Sandown and shall submit its recommendations to the Budget Committee for consideration as part of the annual budget pursuant to New Hampshire RSA 674:8 and the CIP
- H. The Town of Sandown is a member of town of the Timberlane Regional School District (TRSD).
- I. As a member of the TRSD, Sandown is responsible for a proportionate share of all capital costs approved by the TRSD voters based on equalized valuation of property in Sandown relative to equalized property valuation across TRSD, regardless of the town in which such capital facilities are constructed.
- J. Sandown's proportionate share of capital expenditures in TRSD is approximately 17% based on 1992-1996 equalized valuations.
- K. The student enrollment growth in the TRSD has been averaging about 3% per year for the past 32 years.
- L. Sandown's student enrollment in TRSD has been growing at 5% per year for the past five years.
- M. Such student enrollment growth both in Sandown and TRSD will require capital expenditures to provide the classroom space and ancillary support infrastructures for such student enrollment.
- N. The TRSD projected \$19.7 million capital facilities need to accommodate student enrollment through the year 2004-05 in October, 1996.
- O. The Superintendent of Schools for the Timberlane and Hampstead School Districts (SAU 55) has projected full capacity times for five of the six schools within TRSD through the year 2004.
- P. The capital cost impact of Sandown share of these projected capital improvements will reach approximately \$300,000 per year starting in 1999 (assuming that bond approvals are voted) and then over \$400,000 per year starting in 2002.

- Q. The cost of school capital facilities is projected to be 150% to 200% of the Town's capital facility needs over the next six years.
- R. The adoption of a school impact fee ordinance will provide an alternative funding mechanism for the projected school capacity costs other than property taxes.
- S. Impact fees for school facilities will provide some property tax relief, especially for fixed income taxpayers such as elderly homeowners.

Section IV-Applicability and Rules of Construction

- A. This ordinance shall be uniformly applicable to all new development which occurs within the corporate boundaries of the Town of Sandown.
- B. The provisions of this ordinance shall be liberally construed so as to effectively carry out its purpose in the interest of public health, safety and welfare.
- C. For the purpose of administration and enforcement of this ordinance, unless otherwise stated in this ordinance, the following rules of construction shall apply to the text of this ordinance:
 - (1) In the case of any difference of meaning or implication between the text of this ordinance and any caption, illustration, summary table or illustrative table, the text shall control.
 - (2) The word "shall" is always mandatory and not discretionary; the word "may" is permissive.
 - (3) The word "person" includes an individual, corporation, a partnership, an unincorporated association, or any other similar entity.

Section V-Definitions

- A. "Feepayer" is a person applying for a building permit, in the case of a new dwelling, or a building permit, in the case of an occupied dwelling or permit for mobile home installation.
- B. "Public Capital Facilities" include assets, facilities, and equipment which are owned and operated by the Town of Sandown or cooperatively with other municipalities costing more than \$5,000 and considered beyond the scope of normal annual operating expenses as set forth in the CIP such as, but not limited to vehicles, land acquisition for public purposes, buildings, equipment and machinery with a useful life of greater than three (3) years, major building or facility renovations and repairs, road renovations which result in long-term improvement in road capacity or conditions and special studies such as Master Plans.
- C. "Public Capital Facilities" do not include costs associated with operation, maintenance, repair or such facilities, or with facility replacements which do not increase the capacity or level of service unless the cost of such increase exceeds \$5,000 individually or aggregately.
- D. "New development" includes any building activity which results in:
 - (1) The creation of a new dwelling unit.
 - (2) The conversion of an existing non-residential use to a residential use or the conversion of a residence from seasonal to year-round use.
- E. "New development" does not include:
 - (1) The reconstruction of a structure than has been destroyed by fire or natural disaster, provided there is no change in the size or density of the structure;
 - (2) The replacement of a mobile home; and
 - (3) The construction of an accessory structure which would not increase the demand for facilities by the principal structure.

- F. "Dwelling unit" is any room or collection of rooms forming a habitable unit for one or more persons with its own cooking and food storage equipment and its own bathing and toilet facilities and its own living, sleeping and eating areas wholly within such rooms or collection of rooms.

SECTION VI: IMPOSITION OF PUBLIC FACILITIES IMPACT FEE

- A. Any person who, after the effective date of this Ordinance, seeks to undertake new development within the Town of Sandown, New Hampshire, by applying for a building permit or permit for a mobile home installation, is hereby required to pay a public capital facilities impact fee in the manner and amount set forth in Section VII of this Ordinance.
- B. No new building permit or new permit for mobile home installation for any activity requiring payment of an impact fee pursuant to Section VII of this Ordinance shall be issued unless and until the public capital facilities impact fee hereby required has been determined.

SECTION VII: COMPUTATION OF IMPACT FEES

- A. Fees for MUNICIPAL public facilities impact shall be based upon each dwelling unit.
- B. Fees for SCHOOL facilities impact shall be based upon the type of dwelling unit to be constructed per the following chart*:

<u>Type of Construction</u>	<u>Per Dwelling Unit Fee</u>
Single Family Detached	\$3304
Single Family Attached (Townhouse)	\$2127
Two Unit Structures	\$2505
3-4 Unit Multifamily	\$2005
5+ Unit Multifamily	\$1170
Manufactured Housing	\$2230

*As calculated by Methodology for the Calculation of School Impact Fees in the Towns of the Timberlane Regional School District, September 22, 1997 by Bruce Mayberry.

- C. In the event of conversion of a non-residential (properties not suitable for year-round habitation, commercial, industrial) use to residential use, impact fees for a new dwelling shall be imposed before the issuance of a building permit.
- D. The amount of the fee charged shall be calculated and reviewed annually by the Planning Board and adjusted as deemed necessary.
- E. The fee calculation shall be based upon:
- (1) Anticipated expenditures for improvements to Public Capital Facilities under Section XII for the next fiscal year(s), not to exceed ten years. Such anticipated expenditures to be reasonable and prudent.
 - (2) Projected increase of dwellings and excess bedrooms subject to such fees, as in paragraphs A.B. and C of this section for the next fiscal year(s), not to exceed six years. Such projections to be reasonable and prudent.

Section VIII: Payment of Fee

- A. The feepayer shall pay the impact fee required by this Ordinance to the Town of Sandown.
 - (1) Prior to the issuance of a building permit or provide a letter of credit payable upon issuance of an occupancy permit, or
 - (2) Prior to or upon the installation of a mobile home.
- B. If said fee shall be paid by check, the check shall not include any other payments or fees. It shall pertain only to the impact fees. Fees shall be administered as required in Section X.
- C. All unpaid fees shall constitute a lien on the property and will be collected in the same manner as uncollected property taxes.

Section IX: Appeals

Any aggrieved party may appeal any decision under this ordinance in the same manner provided by statute for appeals from the office or board making that decision, as set forth in RSA 676:5, RSA 677:2-14, or RSA 677:15, respectively.

Section X: Administration of Funds Collected

- A. All funds collected shall be properly identified and dated and promptly deposited in the appropriate Impact Fee Account as determined in Section XI of this Ordinance and used solely for the purposes specified in Section XII.
- B. The Impact Fee Account shall be a special revenue fund account and under no circumstances will impact fee revenues accrue to the general fund.
- C. Impact fees shall be accounted for separately, shall be segregated from the municipality's general fund, may be spent upon order of the municipal governing body, shall be exempt from all provisions of RSA 32 relative to limitation and expenditures of town moneys, and shall be used for any purpose allowed under Section XII.

Section XI: Custody and Maintenance of Fund Accounts

- A. There are hereby established an Impact Fee Account for school impact fees respectively. It shall be a non-lapsing interest bearing accounts which shall not be commingled with other Town funds. The Treasurer shall have custody of all accounts and shall pay out of same only upon authorization by the Sandown Board of Selectmen.
- B. Funds collected for school building impact shall be clearly identified and deposited in the respective account.
- C. At the end of each fiscal year, the Treasurer shall make a report giving particular account of all impact fee transactions during the year.
- D. Funds withdrawn from the impact fee account must be used in accordance with the provisions of Section XII of this Ordinance.

Section XII: Use of Funds

- A. Funds withdrawn for the Impact Fee Account shall be used solely for the purpose of acquiring, designing, constructing, equipping or making improvements to capital facilities owned and operated by the municipality, or in conjunction with the Timberlane School District, including and limited to water treatment and distribution facilities; municipal office facilities; public school facilities; public safety facilities; solid waste collection, transfer, recycling, processing and disposal facilities; public library facilities; public recreational facilities not including open space.
- B. In the event that bonds or similar debt instruments have been issued for facilities which were constructed in anticipation of current growth, or are issued for advanced provision of capital facilities for which public capital facilities impact fees may be expended, impact fees may be used to pay debt service on such bonds or similar debt instruments to the extent that the facilities provided are of the type described in Paragraph A above.
- C. Effective upon passage of this Ordinance, the annual updates of the Town's CIP shall contain a methodology for assigning funds, including accrued interest, from the Impact Fee Account to specified public capital facilities improvement projects and related expenses. Monies, including any accrued interest, not assigned in any fiscal period shall be retained in the same Impact Fee Account until the next fiscal period except as provided by the refund provisions of this Ordinance.
- D. Funds may be used to provide funds as described in Section XIII.
- E. Funds shall be accounted for on a first-in-first-out basis.

Section XIII: Refund of Fees Paid

The current owner of property on which a public capital facilities impact fee has been paid may apply for a full or partial refund of such fees plus accrued interest calculated at the actual rate of interest earned on said funds not to exceed 6% per annum.

The refund shall be owed when the Town has failed, within a period of six (6) years from either payment of such fee or the last installment payment, to expend or encumber such fees on public capital facilities intended to benefit the development which paid the fees. In an event that a refund is due, the Planning Board shall notify the owner of record.

Section XIV: Credits

- A. Land and/or public capital facilities improvements may be offered by the feepayer as total or partial payment of the required impact fee. The offer must request or provide for an impact fee credit.
- B. Credit for the dedication of land shall be based upon the ad valorem assessed valuation.
- C. Credit for the dedication of land shall be provided when the property has been conveyed at no charge to, and accepted by the Town in a manner satisfactory to the Board of Selectmen.
- D. Applications for credit for construction of municipal or school facilities improvements shall submit acceptable engineering drawings and specifications and construction cost estimates to the Board of Selectmen and/or the Timberlane School Board. The Board of Selectmen and/or the Timberlane School Board shall determine credit for construction based upon either these cost estimates or upon alternative engineering criteria and construction cost estimates if the Board of Selectmen and/or the Timberlane School Board determines that such estimates submitted by the applicant are either unreliable or inaccurate.

The Board of Selectmen and/or the Timberlane School Board shall provide the applicant with a letter or certificate forth the dollar amount of the credit, the impact fee component(s) to which the credit will apply, the reason for the credit, and the legal description of other adequate description of the project or development to which the credit may be applied. The applicant must sign and date a duplicate copy of such letter or certificate indicating his agreement to the terms of the letter or certificate and return such signed document to the Board of Selectmen and/or Timberlane School Board before credit will be given. The failure of the applicant to sign, date and return such document within sixty (60) days shall nullify the credit.

- E. Expect as provided in Paragraph D above, credit against facility impact fees otherwise due will not be provided until:
- (1) The construction is completed and accepted by the Board of Selectmen on behalf of the Town, or the Timberlane School District, whichever is applicable.
 - (2) A suitable maintenance and warranty bond is received by the Board of Selectmen and/or the Timberlane School Board, when applicable. A suitable date for completion of construction must be agreed to, in writing, by the applicant and Board of Selectmen and/or Timberlane School Board at the time of issuance of the bond. At the end of the agreed period, if construction has not been completed, the Board of Selectmen and/or the Timberlane School Board may call the bond or extend the time for construction, but not beyond the expiration time for holding impact fees as set forth in Section XIII. At the expiration of that time, the Board of Selectmen and/or the Timberlane School Board shall call the bond and order funds expended in sufficient amount to satisfactorily complete the bonded construction before returning any excess funds to the applicant.
- F. Credits shall not be transferable from one project or development to another without the approval of the Board of Selectmen and/or the Timberlane School Board.
- G. Credits shall not be transferred between the school facilities impact fee portion of the impact fee account or the municipal capital facilities account.
- I. Determinations made by the Board of Selectmen and/or the Timberlane School Board pursuant to the credit provisions of the section may be appealed pursuant to the procedures contained in Section IX of this Ordinance.

Section IV: Additional Assessments

Payment of public facilities impact fee does not restrict the Town or Planning Board in requiring other payments from the fee payer, including such payments relating to other infrastructure and facility needs not otherwise included in the public facilities impact fee.

Section XVI: Premature and Scattered Development

Nothing in this Ordinance shall be construed so as to limit the existing authority of the Planning Board to provide against development which is scattered or premature, requires excessive expenditure of public funds or otherwise violates the Town of Sandown Site Plan Review Regulations, Subdivision Regulations or Zoning Ordinance.

“Article IX-Telecommunications Facility Ordinance”

I. Authority

This ordinance is adopted by the Town of Sandown, N.H. on (to be filled in on the date of actual adoption by the Townspeople of Sandown, N.H.) in accordance with the authority as granted in N.H. RSA 674:16 and 674:21 and procedurally under the guidance of RSA 675:1,II.

II. Purpose and Goals

This ordinance is enacted in order to establish general guidelines for the siting of telecommunications towers and antennas and to enhance and fulfill the following goals:

- A. Preserve the authority of Sandown to regulate and to provide for reasonable opportunity for the siting of telecommunications facilities, by enhancing the ability of providers of telecommunications services to provide such services to the community, quickly, effectively and efficiently.
- B. Reduce adverse impacts such facilities may create, including, but not limited to: impacts on aesthetics, environmentally sensitive areas, historically significant locations, flight corridors, health and safety by injurious accidents to person and property, and prosperity through protection of property values.
- C. Provide for co-location and minimal impact siting options through an assessment of technology, current locational options, future available locations, innovative siting techniques, and siting possibilities beyond the political jurisdiction of the Town.
- D. Permit the construction of new towers only where all other reasonable opportunities have been exhausted, and to encourage the users of towers and antennas to configure them in a way that minimizes the adverse visual impact of the towers and antennas.
- E. Require cooperation and co-location, to the highest extent possible, between competitors in order to reduce cumulative negative impacts upon Sandown.
- F. Provide constant maintenance and safety inspections for any and all facilities.
- G. Provide for the removal of abandoned facilities that are no longer inspected for safety concerns and Code compliance. Provide a mechanism for Sandown to remove these abandoned towers to protect citizens from imminent harm and danger.
- H. Provide for the removal or upgrade of facilities that are technologically outdated.

Section III.-Definitions

1. “Alternative Tower Structure”

Innovative siting techniques that shall mean man-made trees, clock towers, bell steeples, light poles, and similar alternative-design mounting structures that camouflage or conceal the presence of antennas or towers.

2. “Antenna”

Shall mean any exterior apparatus designed for telephonic, radio, television, personal communication service (PCS), pager network, or any other communications through the sending and/or receiving of electromagnetic waves of any

bandwidth.

3. "FAA"

An acronym that shall mean the Federal Aviation Administration.

4. "FCC"

An acronym that shall mean the Federal Communication Commission.

5. "Height"

Shall mean, when referring to a tower or other structure, the distance measured from ground level to the highest point on the tower or other structure, even if said highest point is an antenna.

6. "Planning Board or Board"

Shall mean the Town of Sandown Planning Board and the regulator of this ordinance.

7. "Preexisting towers and antennas"

Shall mean any tower or antenna lawfully constructed or permitted prior to the adoption of this ordinance. Shall also mean any tower or antenna lawfully constructed in accordance with this ordinance.

8. "Telecommunications Facilities"

Shall mean any structure, antenna, tower or other device which provides commercial mobile wireless services, unlicensed wireless services, cellular phone services, specialized mobile radio communications (SMR), and personal communication services (PCS), and common carrier wireless exchange access services.

9. "Tower"

Shall mean any structure that is designed and constructed primarily for the purpose of supporting one or more antennas, including self-supporting lattice towers, guy towers, or monopole towers. The term includes radio and television transmission towers, microwave towers, common-carrier towers, cellular telephone towers, alternative tower structures, and the like.

IV. Siting Standards

A. General

The uses listed in this section are deemed to be permitted uses that may require further review under this ordinance in accordance with Section VII Conditional Use Permits. However, all such uses must comply with other applicable ordinances and regulations of Sandown (including Site Plan Review). The following tables, represent the siting standards for the listed uses as delineated by the districts in which they are located in Sandown.

I. Principal or Secondary Use.

Subject to this Ordinance, an applicant who successfully obtains permission to site under this ordinance a second and permitted use may construct telecommunications facilities in addition to the existing permitted use. Antennas and towers may be considered either principal or secondary uses. A different existing use or an existing structure on the same lot shall not preclude the installation of an antenna or tower on such lot. For purposes of determining whether the installation of a tower or antenna complies with district development regulations, and other such requirements, the dimensions of the entire lot shall control, even though the antennas or towers may be located on leased parcels within such lots. Towers that are constructed, and antennas that are installed, in accordance with the

provisions of this ordinance, shall not be deemed to constitute the expansion of a nonconforming use or structure. Nor shall such facilities be deemed to be an "accessory use".

B. Use Districts

	New Tower Construction	Co-location on Pre-existing Tower2	Co-location on Existing Structure3
Business District	PCU	P	P
Residential District	X	P	PCU

P= Permitted Use without Conditional Use Permit

PCU= Permitted Use with Conditional Use Permit

X= Prohibited

1-An antenna may be located on a tower, newly constructed, under this ordinance.

2-An antenna may be located on a pre-existing tower, constructed prior to the adoption of this ordinance.

3-An antenna may be located on other existing structures with certain limitations (See IV. B below)

C. Height Requirements

These requirements and limitations shall preempt all other height limitations as required by the Sandown Zoning Ordinance and shall apply only to telecommunications facilities. These height requirements may be waived through the Conditional Use Permit process only if the intent of the Ordinance is preserved (e.g. where a 200' tower would not increase adverse impacts but provide a greater opportunity for co-location) in accordance with VIII. Waivers.

	New Tower Construction	Co-location on Pre-existing Tower	Co-location on Existing Structure
Business District	180'	Current Height +15%	Current Height +30%
Residential District	n/a	n/a	n/a

V. Applicability

A. Public Property

Antennas or towers located on property owned, leased, or otherwise controlled by the Town may be exempt from the requirements of this ordinance, except that uses are only permitted in the zones and areas as delineated in Section IV. B. This partial exemption shall be available if a license or lease authorizing such antenna or tower has been approved by the governing body and the governing body elects subject to state law and local ordinance, to seek the partial exemption from this Ordinance.

B. Amateur Radio; Receive-Only Antennas.

This ordinance shall not govern any tower, or the installation of any antenna that is under 70 feet in height is owned and operated by a federally-licensed amateur radio station operator or is used exclusively for receive only antennas. This application adopts the provisions and limitations as referenced in RSA 674:16, IV.

C. Essential Services and Public Utilities.

Telecommunications facilities shall not be considered infrastructure, essential services, or public utilities, as defined or used elsewhere in the Town's ordinances and regulations. Siting for telecommunication facilities is a use of land, and is addressed by this Article.

VI. Construction Performance Requirements

A. Aesthetic and Lighting.

The guidelines in this subsection (A), shall govern the location of all towers, and the installation of all antennas. However, the Planning Board may waive these requirements, in accordance with Section VIII. Waivers, only if it determines that the goals of this ordinance are served thereby.

1. Towers shall either maintain a galvanized steel finish, subject to any applicable standard of the FAA, or be painted a neutral color, so as to reduce visual obtrusiveness.
2. At a tower site, the design of the buildings and related structures shall, to the maximum extent possible, use materials, colors, textures, screening and landscaping that will blend the tower facilities with the natural setting and built environment. These buildings and facilities shall also be subject to all other Site Plan Review Regulation requirements.
3. If an antenna is installed on a structure other than a tower, the antenna and supporting electrical and mechanical equipment must be of a neutral color that is identical to, or closely compatible with, the color of the supporting structure so as to make the antenna and related equipment as visually unobtrusive as possible.
4. Towers shall not be artificially lighted, unless required by the FAA, or other applicable authority. If lighting is required, the governing authority may review the available lighting alternatives and approve the design that would cause the least disturbance to the surrounding views.
5. Towers shall not contain any permanent or temporary signs, writing, symbols, or any graphic representation of any kind.

B. Federal Requirements.

All towers must meet or exceed current standards and regulations of the FAA, FCC and any other agency of the federal government with the authority to regulate towers and antennas. If such standards and regulations are changed, then the owners of the towers and antennas governed by this ordinance shall bring such towers and antennas into compliance with such revised standards and regulations within six (6) months of the effective date of such standards and regulations, unless a more stringent compliance schedule is mandated by the controlling federal agency. Failure to bring towers and antennas into compliance with such revised standards and regulations shall constitute grounds for the removal, in accordance with Section X, of the tower or antenna, as abandoned, at the owners expense through the execution of the posted security.

C. Building Codes-Safety Standards.

To ensure the structural integrity of towers and antennas, the owner of a tower shall ensure that it is maintained in compliance with standards contained in applicable local building codes and the applicable standards for towers that are published by the Electronic Industries Association, as amended from time to time. If, upon inspection, the Town concludes that a tower fails to comply with such codes and standards and constitutes a danger to persons or property, then upon notice being provided to the owner of the tower, the owner shall have 30 days to bring such tower into compliance with such standards. If the owner fails to bring such tower into compliance within 30 days, such action shall constitute an abandonment and grounds for the removal, in accordance with Section X, of the tower or antenna, as abandoned, at the owners expense through execution of the posted security.

D. Additional Requirements for Telecommunications Facilities

These requirements shall supersede any and all other applicable standards found elsewhere in Town Ordinances or Regulations that are less strict.

1. Setbacks and Separation

- a. Towers must be set back a distance equal to 125% of the height of the tower from any off-site residential structure.
- b. Tower, guys, and accessory facilities must satisfy the minimum zoning district setback requirements.
- c. Towers over 90 feet in height shall not be located within one-quarter mile of any existing tower that is over 90 feet in height.

2. Security and Fencing

Towers shall be enclosed by security fencing not less than six feet in height and shall also be equipped with an appropriate anti-climbing device.

3. Landscaping

- a. Towers shall be landscaped with a buffer of plant materials that effectively screens the view of the tower compound from adjacent residential property. The standard buffer shall consist of a landscaped strip at least 10 feet wide outside the perimeter of the compound. Natural vegetation is preferred.
- b. In locations where the visual impact of the tower would be minimal, the landscaping requirement may be reduced or waived entirely.
- c. Existing mature tree growth and natural land forms on the site shall be preserved to the maximum extent possible. In some cases, such as towers sited on large wooded lots, natural growth around the property may be deemed as sufficient buffer.

VII. Conditional Use Permits

A. General

All applications under this ordinance shall apply to the Planning Board for Site Plan Review, in accordance with the requirements as provided for in the Town's Site Plan Review Regulations. In addition, applications under this ordinance shall also be required to submit the information provided for in this Section.

B. Issuance of Conditional Use Permits

In granting Conditional Use Permits, the Planning Board may impose conditions to the extent the Board concludes such conditions are necessary to minimize any adverse effect of the proposed tower on adjoining properties, and preserve the intent of this Ordinance.

1. Procedure on application.

The Planning Board shall act upon the application in accordance with the procedural requirements of the Site Plan Review Regulations and RSA 676:4.

2. Decisions

Possible decisions rendered by the Planning Board, include Approval, Approval with Conditions, or denial. All decisions shall be rendered in writing, and a denial shall be

in writing and based upon substantial evidence contained in the written record.

3. Factors Considered in Granting Decisions

- A. Height of proposed tower or other structure.
- B. Proximity of tower to residential development or zones.
- C. Nature of uses on adjacent and nearby properties.
- D. Surrounding topography.
- E. Surrounding tree coverage and foliage.
- F. Design of the tower, with particular reference to design characteristics that have the effect of reducing or eliminating visual obtrusiveness.
- G. Proposed ingress and egress to the site.
- H. Availability of suitable existing towers and other structures as discussed in Section VII.C., 3.
- I. Visual impacts on view sheds, ridgelines, and other impacts by means of tower location, tree and foliage clearing and placement of incidental structures.
- J. Availability of alternative tower structures and alternative siting locations.

C. Information Required.

Each applicant requesting a Conditional Use Permit under this ordinance shall submit a scaled plan in accordance with the Site Plan Review Regulations and further information including, a scaled elevation view, topography, radio frequency coverage, tower height requirements, setbacks, driveways, parking, fencing, landscaping, adjacent uses (up to 200' away), and any other information deemed necessary by the Planning Board to access compliance with this ordinance. Furthermore, the applicant shall submit the following prior to any approval by the Board:

- 1. The applicant shall submit written proof that the proposed use facility complies with the FCC regulations on radio frequency (RF) exposure guidelines.
- 2. The applicant shall submit written proof that an evaluation has taken place, as well as the results of such evaluation, satisfying the requirements of the National Environmental Policy Act (NEPA) further referenced in applicable FCC rules. If an Environmental Assessment (EA) or an Environmental Impact Statement (EIS) is required under the FCC rules and NEPA, submission of the EA or EIS to the Board prior to the beginning of the federal 30 day comment period, and the Town process, shall become part of the application requirements.
- 3. Each applicant for an antenna and or tower shall provide to the Planning Board an inventory of its existing towers that are within the jurisdiction of the Town and those within two miles of the border thereof, including specific information about the location, height, design of each tower, as well as economic and technological feasibility for co-location on the inventoried towers. The Planning Board may share such information with other applicants applying for approvals or conditional use permits under this ordinance or other organizations seeking to locate antennas within the jurisdiction of the governing authority, provided, however that the Planning Board is not, by sharing such information, in any way representing or warranting that such sites are available or suitable.

If the applicant is proposing to build a new tower, the applicant shall submit written evidence demonstrating that no existing structure can accommodate the applicant's proposed antenna. This evidence can consist of:

- a. Substantial evidence that no existing towers or structures are located within the geographic area required to meet the applicant's engineering requirements, provided that a description of the geographic area required is also submitted.
- b. Substantial evidence that existing towers are not of sufficient height to meet the applicant's engineering requirements and why.
- c. Substantial evidence that the existing towers or structures do not have sufficient structural strength to support applicant's proposed antenna and related equipment.
- d. Substantial evidence that applicant's proposed antenna would cause electromagnetic interference with the antenna on the existing towers or structures, or the antenna on the existing

- e. towers or structures would cause interference with the applicant's proposed antenna. Substantial evidence that the fees, costs, or contractual provisions required by the owner in order to share the existing tower or structure are unreasonable. Costs exceeding new tower development are presumed to be unreasonable.
 - f. Substantial evidence that the applicant can demonstrate other limiting factors that render existing towers and structures unsuitable.
4. The applicant proposing to build a new tower, shall submit an agreement with the Town that allows for the maximum allowance of co-location upon the new structure. Such statement shall become a condition to any approval. This statement shall, at a minimum, require the applicant to supply available co-location for reasonable fees and costs to other telecommunications providers. Failure to provide such an agreement is evidence of the applicant's unwillingness to cooperate with the orderly and well-planned development of Sandown and grounds for denial.
 5. The applicant shall submit the engineering information detailing the size and coverage required for the facility location. The Planning Board may have any submitted information reviewed by a consultant for verification of any claims made by the applicant regarding technological limitations and feasibility for alternative locations, or any other matter required by the application. Costs for this review shall be borne by the applicant in accordance with RSA 676:4, I (g).

VIII. Waivers

Where the board finds that extraordinary hardships, practical difficulties, or unnecessary and unreasonable expense would result from strict compliance with the foregoing regulations or the purposes of these regulations may be served to a greater extent by an alternative proposal, it may approve waivers to these regulations. The purpose of granting waivers under provisions of these regulations shall be to insure that an applicant is not unduly burdened as opposed to merely inconvenienced by said regulations. The board shall not approve any waiver(s) unless a majority of those present and voting shall find that all of the following apply:

1. The granting of the waiver will not be detrimental to the public safety, health, or welfare or injurious to other property and will promote the public interest.
2. The waiver will not, in any manner, vary the provisions of the Sandown Zoning Ordinance, Sandown Master Plan, or official map.
3. Such waiver(s) will substantially secure the objectives, standards and requirements of these regulations.
4. A particular and identifiable hardship exists or a specific circumstance warrants the granting of a waiver. Factors to be considered in determining the existence of a hardship shall include, but not be limited to:
 - a. Topography and other site features
 - b. Availability of alternative site locations
 - c. Geographic location of property
 - d. Size magnitude of project being evaluated and availability of co-location.

B. Conditions

In approving waivers, the Board may impose such conditions as it deems appropriate to substantially secure the objectives of the standards or requirements of these regulations.

C. Procedures

A petition for any such waiver shall be submitted in writing by the applicant with the application for Board review. The petition shall state fully the grounds for the waiver and all of the facts relied upon by the applicant. Failure to submit petition in writing shall require an automatic denial.

IX BONDING AND SECURITY AND INSURANCE

Recognizing the extremely hazardous situation presented by abandoned and unmonitored towers, the Planning Board shall set the form and amount of security that represents the cost for removal and disposal of abandoned towers in the event that the tower is abandoned and the tower owner is incapable and unwilling to remove the tower in accordance with Chapter X, all security shall be maintained for the life of the tower. Bonding and surety shall be consistent with the provisions in the Subdivision Regulations. Furthermore, the Planning Board shall require the submission of proof of adequate insurance covering accident or damage.

X. REMOVAL OF ABANDONED ANTENNAS AND TOWERS

Any antenna or tower that is not operated for continuous period of 12 months shall be considered abandoned and hazardous to public health and safety, unless the owner of said tower provided proof of quarterly inspections. The owner shall remove the abandoned structure within 90 days of receipt of a declaration of abandonment from the Town notifying the owner of such abandonment. A declaration of abandonment shall only be issued following a public hearing, noticed per town regulations, with notice to abutters and the last known owner/operator of the tower. If the abandoned tower is not removed within 90 days the Town may execute the security and have the tower removed. If there are two or more users of a single tower, this provision shall not become effective until all users cease using the tower.

XI ENFORCEMENT

Enforcement of this section shall be in accordance with Chapter 676 of the New Hampshire Revised Statutes Annotated and Sandown Zoning Ordinance. Any person in violation of this section of the ordinance shall be subject to punishment in accordance with referenced provisions.

XII SAVING CLAUSE

Where any provisions of this ordinance is found to be unenforceable it shall be considered savable and shall not be construed to invalidate the remainder of the ordinance.

Given under our hands and seal, this twenty-sixth day of January
in the year of our Lord nineteen hundred and ninety-eight.

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 24

BUDGET OF THE TOWN

OF SANDOWN N.H.

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 1998 to December 31, 1998 or
for Fiscal Year From _____ to _____

IMPORTANT: Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address above.

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

Budget Committee: (Please sign in ink.)

Date January 21, 1998

Donna Burt (CHAIRMAN)
Peggy Simon
Karen D. Vay
Stephen Brown
Anthony A. O'Neil

Chief of Account
Mark Hamblett

(Revised 1997)

Year 1998

CAPITAL OUTLAY								
4901	Land							
4902	Machinery, Vehicles & Equipment							
4903	Buildings							

If you have a line item of appropriations from more than one warrant article, please use the space below to identify the make-up of the line total for the ensuing year.

[illegible]

Special warrant articles are defined in RSA 32:3, VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriating to a separate fund created pursuant to law, such as capital reserve funds or trusts (including the State Trust Fund); 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

...INDIVIDUAL WARRANT ARTICLES**

"Individual" warrant articles are not necessarily the same as "special warrant articles". An example of an individual warrant article might be negotiated cost items for labor agreements or items of a one time nature you wish to address individually.

TOWN OF SANDOWN

OFFICE of SELECTMEN

P.O. Box 1756 • Sandown, NH 03873

Telephone (603) 887-3646

SELECTMEN'S ANNUAL REPORT

1997

The town of Sandown has grown this past year in more ways than one. Without the dedicated efforts of our volunteers here, this town would not be the pleasant, active community that it is today. Currently, most committees do not have any openings! Many people have come to the Selectmen's office to apply for various committees only to find them full. There are, however, some committees still looking for members, the Cable TV Advisory Board for one. These next two years are very important for this Board since the members will be researching a new cable TV contract for the town. The current contract expires at the end of 1999. Anyone interested in joining the Board is encouraged to come to the Selectmen's office or contact Tom Gainan. Many other organizations in town have grown considerably. Space in the Town Hall is now at a premium. Groups of all ages are keeping this building very busy. Keep up the good work, folks! There are so many groups that meet here that we can't name them all. From the Brownies and Girl Scouts, Cub Scouts, Grange and the 60+ Club - all ages, all walks of life.

The Town Hall continues to enjoy its facelift from the Beautification Committee. Holiday lights installed by the Girl Scouts gave the building that holiday spirit. The newest addition inside is the ceiling fans donated and installed by the Verrados of American Shaolin Kempo Karate. Many of us will appreciate these fans during the summer months. Another addition to your town hall is the new upper parking lot, newly paved and striped, and a new fence. Many thanks to those who volunteered. Please use this lot to keep cars off the street. There is also a new handicap access parking space located at the front entrance.

The summer of 1997 began with the second annual Conservation Commission Fishing Derby which was a very successful event and a good time was had by all. Following the derby was the official season opening of Seeley Park which was hosted by the Recreation Commission. The Summer Recreation Program was another successful event which benefited Sandown's children. Many hours of hard work by the Commission proved that this program should continue for years to come.

Old Home Days was another great town event. As always, everyone had a wonderful time. Where else would you see Selectmen, a State Senator, other politicians and various citizens race in a bathtub singing "Rubber Ducky"?! Only at Sandown's Old Home Days! The second day of Old Home Days was just as enjoyable with a service at one of the country's oldest meeting houses, right here in Sandown! The service was followed by a homemade roast beef dinner. If you haven't yet visited the Old Meeting House, you are missing a very historical building that is part of America's history. Never changed, not since it was built in 1774, the building is visited each year by the schoolchildren of the

Sandown Central School as well as by tourists from all over the world. Ask your child to take you for a tour or just contact Eleanor Bassett for the key. When you enter the meeting house, you will go back in time.

With the help of Eleanor Bassett and many town organizations, this Board started the Sandown Senior Helpers which is dedicated to helping the elderly with their needs. The Board began with a dinner/informational time in November and the event was very successful. Many elderly citizens came to the town hall for a turkey dinner with all the fixins. The comments received from those that attended were very positive and hopeful for a continued tradition. Anyone wishing to become involved with this needed program can contact the Selectmen's Office.

The Board of Selectmen would like to single out and thank Bill Crum for his 9 years on the Board. He has served through some tough times as well as good times. Bill has dedicated many years in service to the town on various boards as well as this board. His expertise and knowledge will be greatly missed. Bill will continue to serve as a member of the Planning Board. Thank you, Bill!

The town of Sandown has again proven that care and dedication to the town and the people makes it, by far, one of the best towns in which to live. The Selectmen would like to thank all those who make this community what it is today. We look forward to a prosperous 1998!

Cheryl Cronin

David Cheney
Chairman

Paul Bertoncini

1997 PLANNING BOARD REPORT

The Sandown Planning Board met 24 times in 1997 including special meetings, workshops and separate joint meetings with the Fremont Planning Board. The Planning Board's efforts resulted in approval or conditional approval of seven subdivisions including a major cluster subdivision which encompasses both Sandown and Fremont land. The approvals created 25 new building lots and the conditional approval of the cluster subdivision allows for 41 dwelling units in townhouse-type, multiple dwelling units. The Board also reviewed and approved five lot-line adjustments. At year end, there remains, under review, one subdivision proposing five lots.

The Growth Management Zoning Ordinance approved by the town allows the Planning Board to monitor the growth of the town and enact limitations so as to better control and manage development and growth in Sandown. Last year, the Board took note of the increase of growth in the areas of building permits, population, tax rate and proposed development and instituted phasing requirements. This year, the Board further reviewed Sandown's growth and found again a positive growth when compared to abutting towns in the areas of building permits, population, tax rate, students and proposed developments and instituted a limitation of building permits under the Growth Management Ordinance. Presently, developments before the Board are subject to building permit limitations as well as phasing requirements.

The Planning Board is proposing four changes or additions to the zoning ordinance. The first deals with a clarification of "piggery" recommended and requested by the Health Officer. The second proposed amendment deals with certifications of foundation locations. The third and fourth proposed changes to the zoning ordinance are significant additions to the current regulations. The third proposed amendment adds a new article to the zoning ordinances entitled "Town of Sandown Public Capital Facilities and Impact Fee Ordinance". The purpose of the impact fee ordinance is to require new development in the town of Sandown to contribute a proportionate share of the new development's impact on the public facilities. The last amendment to the zoning ordinance is the addition of an article regarding telecommunications. This ordinance is an attempt to establish guidelines for the siting of telecommunications towers and antennae where no such guidelines had existed in the ordinance. The Rockingham Planning Commission suggested enacting such an ordinance as without the ordinance the Planning Board may be limited in its ability to regulate the siting of telecommunications facilities including towers and antennae. The Board urges you to approve all of the proposed zoning ordinance changes.

ZONING BOARD OF ADJUSTMENT
ANNUAL REPORT

The Zoning Board of Adjustment (ZBA) is a volunteer committee appointed by the Selectmen. The ZBA consists of 5 voting members and 3 alternates. The alternates fill in on an as-needed basis in the event that a regular voting member is not present or is unable to vote. The ZBA, typically, meets on a monthly basis and has the responsibility of making determinations on appeals made by property owners for variances or special exceptions.

Variances are requests for waivers from the exact terms of the town's land use ordinances. An example of a variance request is seeking permission to construct a home on property that does not meet the current lot size requirements.

Special exceptions are requested when a property owner determines that the use he intends for his property is restricted and in order to be granted a special exception the owner must meet certain criteria established by the town. An example of a special exception request is seeking permission for a commercial use of your property (i.e. a home business).

During 1997, the ZBA dealt with a wide range of cases. The most common requests being for special exceptions to operate home businesses. The ZBA must take into account the intent of the ordinance and balance it with the proposal submitted by the applicant. The makeup of the Board changed during the year, a result of resignations from the previous year. For a good part of the year, the Board operated with no alternates and rarely had a full Board available at the monthly meetings. The Board did eventually add 2 new members, Joanne Rizzo and Russ Collins, but we are still in need of one more alternate member. The Board is anticipating at least one more resignation in 1998 so I would like to encourage anyone who is interested in volunteering his or her time to submit a letter of interest to the Selectmen's Office.

Respectfully submitted,

Mark Hamblett
Chairman
Zoning Board of Adjustment

BUILDING AND ELECTRICAL
INSPECTOR'S REPORT

On July 27, 1997, building permit limitations were initiated as part of the Growth Management Ordinance of 1996. Building permits for new dwelling units have been limited to twenty (20) from July 27, 1997 to July 27, 1998. Not included in this limitation are previously approved site plans that are to be a "phased development".

The full growth limiting impact of our ordinance will not be felt until these developments which are now exempted (either through phasing or other constraints) fall under its jurisdiction because of the expiration of statutory time frames.

The total number of building permits for 1997 was 163 (an 8% decrease from the 178 issued in 1996). Again, as in 1996, we did not see any multi-family or commercial development.

Permits - 1997

Single Family.	33
Remodel.	39
Additions.	86
Demolition	5
Electrical	174

Hopefully, this year will see us adopt updated versions of the various building codes and continue to fine tune our Zoning Ordinances.

Sincerely,

Ken Sherwood
Building Inspector
Electrical Inspector

ASSESSING REPORT

Abatements

In 1997 the number of requests for abatement of taxes was 16. Of these, 4 were granted abatements (either from significant deterioration of the property (fire, for example) or due to an incorrect listing on the record card), 6 were denied and 6 are pending. A few have applied to the state appeals board. There were no state appeals settled in 1997.

New Valuations

Reference to the building inspector's report will indicate that a fair number of properties will have to be assessed in 1998. These involve new structures, additions, alterations, outbuildings and similar items. In addition to those, it is a practice to physically review all properties transferred during 1997. The total number is 330 to date (very slightly smaller than 1996).

Equalization Ratio

The town's equalization ratio has not yet been set by the Department of Revenue (but will probably be around 1.24 (vs 1.26 at present), indicating a continuing recovery in the market). This is the ratio of property valuation to market value. Half of the properties are greater than this and half less than this, with the majority within a likely +/- 10% of this number (the coefficient of dispersion, or spread was previously 11.1). A value of less than 15 is considered to be a good measure of a fair assessment in a municipality).

The equalization ratio is the figure which is used to adjust town valuations to comparable values for fair sharing of the regional school district expenses. It also indicates that property market values have decreased about 24% since the revaluation in 1989.

Note, however, that if property assessments were readjusted to make the equalization ratio = 1.0 that a property's tax would not change since the tax rate would be increased by the same 24%. The taxes are primarily determined by the amount of money to be raised for school, county and town services and debt, while the amount for a given property's share is determined by the assessed valuation.

Some Statistics

192 property transactions were recorded in 1996. Of these 107 were "arms length" (willing buyer/willing seller), 13 were foreclosures, 8 sales by banks, and the rest were of other types (inter-family, inter-business, court settlements).

Comment

As has been stated in previous reports, it is recommended that property owners check the property records at the town hall to ensure the listings are correct.

Respectfully submitted,

George E. Romaine
George E. Romaine
Assessing Clerk

1997 Budget Committee Report

I would like to thank the members of the Budget committee for their hard work and long hours reviewing the 1998 budget requests. After a detailed review, the Budget Committee is recommending an operational budget of \$1,266,836. This figure is \$71,077 or 5.9% higher than the 1997 approved operating budget of \$1,195,759.

A review of the salary line items and non-salary line items shows that the salary line items (including salary, unemployment insurance, worker's compensation, and benefits) have increased \$9,842 or 2.3%. A similar review of non-salary line items shows an increase of \$61,235 or 8.0%. There were two major contributors to the increase in non-salary line items. A 45.4% increase from Blue Cross affected the Benefits budget, and an increase in the hauling contract affected the Sanitation budget.

In addition to the operating expenses, the Budget Committee also reviewed Warrant Articles for 1998. The amount of \$321,540 was requested. The Budget Committee recommended \$320,020, or \$1,520 less. The recommended amount for 1998 is \$88,133 (38.0%) more than the 1997 approved amount of \$231,887.

I would like to thank the department heads for their time and effort in gathering the information for the budget request forms and their time in appearing before the budget committee and when necessary, the selectmen. We are working to improve the forms and the process that is used.

We have included scaled down copies of the request forms that the department heads submitted. We hope the people of the town find this information useful when voting on the entire budget.

Last, but definitely not least, I would like to thank the people of Sandown in allowing me the opportunity to serve them on this committee.

Respectfully submitted,

Brian Butler

SANDOWN CABLE TELEVISION ADVISORY BOARD
1997 ANNUAL REPORT

The Cable Television Advisory Board serves as a liaison between Sandown cable television customers and MediaOne, formerly known as Continental Cablevision. During 1997, the Board has worked with MediaOne management, protesting rate increases despite the fact that Sandown receives less service than other area towns.

In the realm of local television programming, a number of locally produced programs are aired on Channel 48 and on Educational Channel 30. These include the Annual School District meeting, School Board meetings, the Timberlane High School graduation, school sports and musical events, and such feature shows as "Joan's Jazz Jam," "Bonjour," and "Sandown Today."

Because Sandown does not have a true Local Access Channel as do the surrounding towns, local producers now share Channel 48 on which programs are assigned specific time slots. Currently, "Sandown Today" and other Sandown telecasts are seen regularly Friday, Saturday, Sunday, and Monday evenings at 7:30 PM on Channel 48.

Local shows are made by many volunteers, and to get more residents involved MediaOne conducts hands-on training in television production offered at no cost. Interested residents, whether or not they are cable subscribers, may enroll in classes by calling MediaOne's Community programming staff at 668-3123 or 382-9254.

The contract between MediaOne and Sandown will be up for re-negotiation in the year 2000, and the Town will begin preparations during 1998. Several openings exist on the Cable TV Advisory Board, and we invite residents to apply for these appointments to help us secure a new contract more favorable for Sandown than the existing grant.

If you have a problem with cable service which is not resolved by MediaOne, or if you are interested in getting involved, please call Tom Gainan at 887-2897.

Respectfully Submitted,

Tom Gainan, Chairman

HEALTH DEPARTMENT
1997 REPORT

Last year, at this time, there was great concern with the Indoor Air Quality (IAQ) at Sandown Central School. Since then, corrections have been made to prevent future problems. The main culprit causing these indoor health issues was standing water. Gutters were installed and now feed into dry wells designed to catch the overflow. Floor vents in each modular classroom were sealed. Air exchange units in classrooms were corrected to allow for constant air exchange. Filters in each classroom are inspected and evaluated monthly. Modular classrooms were cleaned and disinfected by a professional cleaning company.

The EPA has developed a program called "Tools For Schools" which aids teachers, parents, health officials, school personnel, etc. to be pro-active in their approach to assuring safe IAQ. A core team has been established. Members of this team are: Henry Fardella, vice-principal, Ellen Zimmerman, school nurse and myself. Members for this team are welcome.

The Turner Group of Maine is an engineering team that specializes in IAQ, especially in schools. Recently, the Timberlane District has contracted with the Turner Group to evaluate all of our district schools.

Over the years, the Animal Control and Health Department have been called upon to resolve issues concerning roaming farm animals. A new Selectmen's ordinance regarding the containment of stock-at-large has been approved. Another ordinance defines issues concerning pigs and/or hogs in regard to the numbers allowed, property setbacks, etc. This ordinance is important because it helps assure prevention and maintenance of any possible health issue regarding manure, etc.

Septic systems require proper maintenance to prevent premature failures. The number of inhabitants in the dwelling and what is disposed will help determine how often a septic tank is to be pumped. The town has information available for residents regarding proper septic care.

Most of Sandown is serviced by private wells. A good practice for well maintenance is to do a basic/standard water test every three years. A bacterial water test in the between years is sufficient. Kits are available at the Town Hall for water testing.

Your Health Department is here to serve you: Foster and day care inspections, septic problems, water quality, lead testing, food contamination and other health-related issues.

Respectfully,

Mary Ellen Tufts, H.O.
Mary Ellen Tufts
Health Officer

Sandown Conservation Commission 1997 Report

Members:

**Chairman: Heidi Chaput,
Secretary: Laura Stundze,
Cheryl Cronin, Jane Neskey
and Brian Butler**

The Sandown Conservation Commission was assigned a new liaison in March, Cheryl Cronin; Jane Neskey joined the SCC in May 1996 and Brian Butler in March 1997.

The SCC held their second annual fishing derby June 21, 1997 at Seeley Park. We had a great turn out and a good time was had by all. We are in the process of planning our third derby, if you are interested in helping call the Selectmen's Office.

The SCC was awarded a match grant from the Rockingham Planning Commission to have some new maps of Sandown made. These maps include town wide base map, wetland map, aquifers map, soil types and watersheds map. When these maps are done they will be in the town hall for everyone to use. We know they will be helpful.

In May 1997 the SCC participated in the Exeter River clean up day by sponsoring Sandown Girl Scout Junior Troop 299 in their efforts to clean up the river and provided lunch for the girls and parents after at Town Hall.

The SCC wrote a warrant article for 1997 to see if the town will vote to deposit 25% of the revenues collected pursuant to RSA 79-A in a conservation fund for the strict purpose of purchasing open space land for conservation use only in accordance with RSA-A:5III as authorized by RSA 79-A:25II. There are 60 towns in NH that have already agreed to deposit all or a portion of this tax in the conservation fund. The article was passed.

The SCC is trying to make Sandown residents more aware of their environment and what the new rules mean for them. Anyone that lives within 50 feet of water or wetland should contact the SCC before doing any projects to their land or home to see if an application is needed. The NH State law regulating dock construction is RSA 482:A, anyone with a dock should have filled out an expedited dredge and fill application form. This law has been in effect since 1969 for permanent structures in freshwater and 1978 for seasonal structures. Docks built prior to these dates are grandfathered as long as the size, location and building material has not been changed. Also all beaches that put down sand need to fill out the same form which only lets you put down sand once every five years. The SCC will be helping the NH Environmental Services update their records and compile a list for all docks in Sandown.

EXETER RIVER
LOCAL ADVISORY COMMITTEE

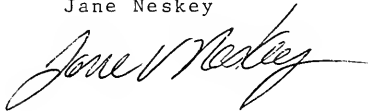

I serve as the Sandown representative on the Exeter River Local Advisory Committee (E.R.L.A.C.). E.R.L.A.C. is made up of representatives from the ten towns along the Exeter River. The committee meets on the last Tuesday of each month at the County Commissioner's Conference Room, Rockingham County Complex in Brentwood, New Hampshire.

This year, E.R.L.A.C. sent out surveys to all of the residents living along the Exeter River in order to gather information on the use and any concerns residents had pertaining to the river. The Exeter River was added to the State of New Hampshire's Rivers Management and Protection Program in 1995. The information gathered from the surveys will be used to help form a River Management Plan.

E.R.L.A.C. is also participating with the Audubon Society of New Hampshire, Rockingham Planning Commission, New Hampshire Department of Environmental Services, New Hampshire Fish and Game Department, New Hampshire Office of State Planning and UNH Cooperative Extension on the Exeter River Watershed Project. This project is a collaborative effort to improve the protection of wildlife habitat and water quality along the river. The project is also working to identify key natural areas for conservation and offer support for the development of a long-term management and protection plan for the Exeter River watershed.

New members are always welcome. You may contact the Selectmen's Office for information.

Jane Neskey

SANDOWN PUBLIC LIBRARY

305 Main Street • P.O. Box 580 • Sandown, N.H. 03873 • 887-3428

The Sandown Public Library has had another busy and challenging year. Over 16,000 people visited the library and well over 28,000 books, videos, audio books, and magazines were circulated.

Beginning in June, we had a few changes in our staff, our director Justine Schaffner left for another library job and Heidi Traeger took over as director. Linda Lampkin joined the staff as our new Children's Librarian.

The Library offered several programs this year. John Evans gave a talk on Fisher Cats. We had a fall series "Take Time for Yourself", which included presentations on Tai Chi, Massage, and Yoga. Parkland Medical Center did a two part series on Prepared Babysitting. The Library, in conjunction with the Sandown Historical Society, presented programs, which included Preserving NH Forests and "The General Store".

Our children's programs continue to be very popular. Thanks to several wonderful volunteers, we were able to expand our story hours and offer after school craft classes for children. Our summer reading program, "Take Us to Your Readers", a space theme, was again very popular, due in large part to the great programs done by volunteers. Staff from Sandown Central, area pre-school and kindergarten teachers did our summer story hours. Several wonderful patrons developed some "space" fabulous programs. Events for the summer reading program ranged from the NH Audubon Society's "Aliens or Neighbors" to Radio Controlled Airplane Flying to a great final concert donated by Sandown's Don and Pam Gaudreau, "The Works".

The Friends of the Library continue their support through luncheons, the Book Sale Room, and the sale of book bags. They also sponsored a Scholastic Book Fair, which raised over \$800 worth of books for the Library. The Friends also helped to buy two new office chairs, supported the Great Stone Face reading contest, and contributed to our Holiday programs. Their help is greatly appreciated by both the patrons and our staff.

The Library continues to offer several passes, including passes to the Londonderry Children's Metamorphosis Museum, the Boston Museum of Science, the Christa McAuliffe Planetarium, America's Stonehenge, and membership with the NH Audubon Society. The passes are available through the generosity of the Sandown Lions Club, the Friends of the Library, the Sandown Mother's Club, and the endowment fund.

The Library continues to change as technology changes. The internet is still very popular with patrons and we also have a new Pentium computer with CD ROM and several CDs donated by Amelia Leiss. Our card catalogue is now online and we are migrating from cards to a computer based system.

Our library continues to expand in many ways due to the support of the Sandown taxpayers, contributors, and volunteers. Two volunteers, Hazel Marlow and Dot Drowne, faithfully come in every week for two hours to help us keep up with our work. On behalf of the trustees and staff we want to thank all people who have volunteered at the library during the year.

Just as a note, residents only need to check out one hardcoverd book to recover their tax dollars that go to support the library.

Respectfully submitted,

Heidi Traeger
Library Director

SANDOWN HISTORICAL SOCIETY AND
MUSEUM PRESENTS A REVIEW OF THE
PAST SUMMER AT THE OLD RR STATION

The first lovely thing that happened was the planting of pansies by Joy Somer's and Kathy Lee's Girl Scout troop. We enjoyed visits by Scout Pack 268 - Den 7, Leader Dee Dee Laplante and Webelos Scout Leader Pat Mosqueda. We also welcomed 16 exchange students from Spain.

On their annual tour, 40 third grade school children learned how people in Sandown lived in the last century. They tried on a hoop skirt, pounded wooden pegs in the handmade shoes, tapped out a message on the telegraph key, turned the handle on the old ringer telephone and listened to the music on the Edison phonograph. They used a 200 year old wooden mallet to pound a peg through a beam, worked the velocipede and, for a finale, got locked up in the stocks. A very exciting day!

Altogether, we had 292 visitors this year - 83 from Sandown, 86 from other New Hampshire towns and the rest from California, Connecticut, Massachusetts, New York, North Carolina, Ohio, Florida, Nova Scotia, other parts of Canada and Spain. To commemorate their visits, many bought the sweatshirts, t-shirts and cookbooks which the Museum has for sale.

The Museum received a number of gifts during the year. These included a large framed train picture donated by Gerald Meuse in memory of his brother, a game board and pieces, an old round tub washing machine, a harpsichord donated by Diane Somerset which was used in Sandown by Addie Nye about 1920, a wonderful collection of old railroad books given by Ralph Rooney of Hampstead, a wooden mallet received from Lloyd Lessard and donations from Amelia Leiss and Pat and Les Potter.

Our big project this past summer has been the restoration of the flanger cars by Dan Vitello. They are almost finished and look very nice in their new red and black colors. We plan to have an "Open House" this coming spring to celebrate their completion. Does anyone have a large flag to donate for the event?

Compiled by

Bertha Deveau
Curator

SANDOWN RECREATION COMMISSION
1997 ANNUAL REPORT

In its second year of existence, the Summer Recreation Program saw a 28 percent increase in user hours. The program, under the direction of Krista Warren, was run for six weeks at the Roy L Miller Recreation Field on Main Street.

We had an admirable force of teenagers who volunteered their time to serve as counselors-in-training. Together, they volunteered more than 370 hours. We could not have run such a successful or cost-effective program without them.

The Commission would like to extend its thanks to second year CITs Mitchell Mencis and Becky Brown. Thanks is also extended to first year CITs Kristin Lins, Tim Poloquin, Kate Turlikowski, Joshua Allen, Dave Lucier and Stacey Comeau.

Seeley Beach was the place to be for many people during the hot summer months. The Commission offered "Opening Day" at the beach which ran concurrently with the Conservation Commission's Fishing Derby. Children and adults were treated to balloons, cake and a visit from a clown who performed magic for the children.

Lifeguard-supervised swimming was available every day from 10 AM to 8 PM. A summer swim program took place in two sessions and was well attended.

Again, this year, residents stepped forward with generous donations and offers of help. The recreation area and town beach benefited from donations of sand, fencing and labor. Monetary donations to the recently established "Revolving Fund" were also received.

Site work at the Miller Field included work on the road leading up to the field. Drainage was added that will, hopefully, prevent further wash-out of the road. Fencing was installed around the basketball court. Plans are in the works for improvement to the infield at the new ballfield. The original material used has proven to be too sandy and an offer to replace it at no cost has been received by the Commission.

Two warrant articles have been submitted by the Commission. The Summer Recreation Program Warrant has a -0- tax impact. The warrant article for a well at Miller Field would have an approximate \$.07 tax impact. It is the consensus of the Commission that a well at Miller Field will enable the town to maintain and improve what has been a substantial investment of time and money by the town and its volunteers.

Respectfully submitted,

Edward L. Mencis
Chairman

FIRE DEPARTMENT
TOWN OF SANDOWN
PO BOX 1756, SANDOWN, N.H. 03873

SANDOWN FIRE DEPARTMENT
ANNUAL REPORT - 1997

The year 1997 was a busy year for the Sandown Fire Department. Although the actual number of fire calls was less than in 1996, the number of service calls and auto accidents was up.

The members of the Fire Department have been involved in the refurbishing of Engine #2. This project is not completed at this time but it will be soon and will be a huge asset to the Fire Department.

The Department thanks all of the residents for their support in this project.

As always, the Fire Department officers and members have devoted a lot of hours to making this department a real good working organization. I thank them for making my job as Chief more enjoyable.

Sincerely,

Irving Bassett
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1997 fire season was a safe period for wildland firefighters with no major injuries reported. The drought conditions experienced during the early summer months was a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

SANDOWN POLICE DEPARTMENT

1997 TOWN REPORT

It's that time again. Time to look back on another year, time to reflect on what transpired, on what we learned, on what we experienced. I am proud to say that this year went smoothly because I have an excellent group of professional officers who made it that way.

Several of us received extensive training this year on Narcotics, Sexual Assaults, Juvenile Problems and Domestic Violence. These crimes, as you must be well aware when watching the news and reading the newspapers, are still on the rise and here in Sandown is no exception. Therefore, training and preparation in dealing with these matters is of crucial importance.

Two Officers attended training sponsored by the N.H. Attorney General's Office on Sex Crimes. Extensive training has positive effects. It provides more knowledge, more detailed investigation and can reduce the possibility of liability issues. Our in-house training, critique of cases, and computerization also provides the entire department with targeting problem areas.

We confiscated over 50 marijuana plants this year, some in excess of nine feet in height with a possible street value of one hundred thousand dollars. We made several drug possession arrests also.

Among our incidents and investigations this year we experienced our first Computer crime which was dealt quickly and professionally, locating the culprit in another state. The individual was a juvenile who was mis-using the Internet.

Our Explorer Program has recruited more teens interested in Law Enforcement. Four of which attended the New Hampshire Cadet Training Academy this summer. We are very proud of one of our Explorers, Joshua Hodson, he recently received the Eagle Scout Award from the Boy Scouts of America. We are also happy to announce that yet another Cadet, Benjamin Pinault, has been hired as a Part-time Officer on our department.

This department has also become involved in a Peer Mediation Program for Juveniles. Tours of the station and safety talks were given again this year along with a Firearms Safety talk.

We applied for a Federal Government Grant called the Universal Hiring Grant. This Grant supplies the Town of Sandown with seventy five percent funding, not to exceed seventy five thousand dollars, to employ a full-time Officer for a period of three years. The Town must contribute approximately twenty-five percent towards the employment over the three year period. This federal grant is the second we have been fortunate to receive.

J.Scott Currier
Chief of Police
